

CV28 - Cooling Vest

Collection: Cooling Vests

Range: All Weather Protection

Shell Fabric: 100% Polyester, Tricot, 120g

Outer Carton: 48

Product information

Portwest's cooling vest is designed from material made specifically for body cooling. This construction is to help counter the harmful effects of heat stress. The vest lowers body temperature and can be re-cooled in minutes which offers hours of cooling without compromising mobility. The fit of this vest is designed to clear your waist, providing ease when sitting or standing.

All Weather Protection

Portwest All Weather Protection is engineered with exceptional fabrics and designs, allowing an easy transition between work and leisure. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured using the best quality materials and high technology construction techniques to ensure total satisfaction with wear after wear.
